

# HIMCM®/MidMCM

**Nov.  
5-18  
2025**

## Compete. Solve. Create.

### What is COMAP?

COMAP (Consortium for Mathematics and Its Applications) is a nonprofit that empowers students to tackle real-world problems through math modeling contests and creative learning experiences.

### What is the contest?

COMAP's HiMCM®/MidMCM are global contests where students use math and teamwork to solve real-world problems and make an impact.

### Ready to compete?

Don't miss your chance to solve real-world problems and compete with students from around the globe! Form your team and register now at: [www.himcmcontest.org](http://www.himcmcontest.org)

@COMAPMath
