

HiMCM®/MidMCM

**Nov.
4 - 17
2026**

Compete. Solve. Create.

What is COMAP?

COMAP (Consortium for Mathematics and Its Applications) is a nonprofit that empowers students to tackle real-world problems through math modeling contests and creative learning experiences.

What is the contest?

COMAP's HiMCM®/MidMCM are global contests where students use math and teamwork to solve real-world problems and make an impact.

Ready to compete?

Don't miss your chance to solve real-world problems and compete with students from around the globe! Form your team and register now at: www.himcmcontest.org
